

AFTERNOON SHIFT PACKING PERSON (CASUAL AND PERMANENT ROLES)

Air Radiators is a successful engineering and manufacturing company that provides complete heat transfer and air movement solutions to transport, rail, power generation and mining markets. We supply these products from our Lara operations where we employ over 200 people. Lara is located midway between Werribee and Geelong, and is an easy commute from the west of Melbourne.

This role reports to the Packing Supervisor.

As the successful candidate you will be responsible for:

- Constructing packaging for safe shipment of products
- Assisting with the shipment of products
- Ensuring the packing area meets the housekeeping standards
- Focus on achieving the IFOT Target of 100%

The successful candidate must have:

- Eye for detail
- Ability to meet delivery deadlines
- Skills with timber and hand tools
- Ability to interpret drawings and read information packs
- Be able to communicate and liaise with people

Experience in the following would be desirable, but not essential:

- Be team orientated
- Quality and safety conscious
- Experience in packing using timber and hand tools

Wages are paid in accordance with Air Radiators registered enterprise agreement and overtime is available. Air Radiators provides employees with Protection Insurance and an Employee Assistance Program.
